Easy Flight Booking Ticket Services

One of the key features of Hamro Safar is their flight booking ticket service. Travelers can now book domestic and international flights with ease directly through their website. From Kathmandu to Pokhara or international routes, the platform offers real-time ticketing support, price comparisons, and last-minute bookings.

Hamro Safar is partnered with top airlines in Nepal and beyond, allowing users to find affordable flight options for both business and leisure travel.

To book your flight, simply visit their flight booking page and choose your destination and dates. Their friendly customer service team is also available to assist you with flight changes, cancellations, or group bookings.

Trekking & Adventure Packages

Nepal is a paradise for adventure lovers, and Hamro Safar offers some of the best trekking packages in the region. Popular trekking routes include:

- Annapurna Base Camp
- Everest Base Camp
- Langtang Valley Trek

Each trekking itinerary is thoughtfully crafted to offer cultural experiences, scenic views, and safe trekking conditions. Their team ensures proper accommodation, permits, and a local guide to make your trek enjoyable and secure.
